

## OUR COVID-19 RESPONSE

In keeping with guidelines presented by President Trump to curb the spread of the COVID-19 virus, **until further notice, our Friday Fellowship meetings are cancelled and we will not meet physically for worship.** We will conduct a worship service on FacebookLive Sunday at our usual 10:30 AM. For the moment, you need to be a member of the Compass Community Church Group to access this live feed. Visit <https://www.facebook.com/groups/547515359021831/> to begin the simple process.

## BECOMING LIKE CHRIST

To be more intentional about becoming like Christ, we've been encouraged to read daily from the gospels where the life of Christ is on display. Try reading from a different translation than what you're used to and, particularly, one written in simple speech like the New Living Translation. To access other Bible translations go to [www.biblehub.com](http://www.biblehub.com).

### GIVING IS WORSHIP

Giving is an important part of worship. While we do not have a formal offering time in our worship gatherings, there is a basket set out on Sundays marked "Gifts" in which you can place your offering. This is a significant way we partner together in this work for which God has called us together. May God bless you richly as you give!

**UPDATE: Since we are not physically meeting, we are exploring a simple, secure way for you to give online. Stay tuned.**

## JUST FOR LAUGHS!

While you are self-quarantining, be sure to eat plenty of vegetables. We recommend zucchini bread, carrot cake and pumpkin pie!
